WEDDING POLICY & PLANNING GUIDE

WEDDINGS

The Presbyterian Church recognizes that marriage is a gift from God and therefore is to be celebrated in a service of Christian worship. The PC(USA) Book of Order directs that wedding ceremonies be characterized by dignity, beauty, joy, and reverence. The Session of First Presbyterian Church has established the following guidelines to be used by those who are married in this church.

POLICY & PLANNING GUIDE

SECURING A PASTOR

Once engaged, the bride and groom should talk with a Minister of First Presbyterian to secure them to officiate and to secure a date for the service pending Session approval. When a minister determines an available date, a written request for a wedding in the Sanctuary or Lewis Hall will be presented to the session for their approval. For a non-member, the Minister will decide if they are available and willing to conduct the ceremony at the church. When a minister determines availability, a written request for a wedding in the Sanctuary will be presented to the session for their approval.

SECURING THE WORSHIP SPACE

When the date has been decided, the church office staff will receive the facility request, and required fees, and reserve the worship space. The couple will be put in contact with a church wedding director who will coordinate the time and facility needs, equipment, sound, and custodial assistance for the wedding rehearsal and service.

PRE-MARITAL COUNSELING

The Minister who will be conducting the service will guide the couple through preparation for marriage during a series of pre-marital counseling sessions. These sessions are a requirement for marriage in the church. The couple should be prepared to make vows to each other with a sense of commitment to each other and to God.

OFFICIANTS

Another minister may participate in the ceremony only upon an invitation from the officiating Minister. It is required that one of our Ministers will officiate the ceremony.

MARRIAGE LICENSE

Couples must apply in person for a marriage license within 60 days of the wedding date at any County Register of Deeds office in North Carolina.

The license should be brought to the wedding director at the rehearsal. It will be given to the minister for appropriate signatures at the time of the ceremony. The minister will ensure the license is properly mailed in a timely fashion.

MUSIC

As an integral part of the wedding service, appropriate musical selections place the wedding service in the proper context of worship and give meaningful expression to God's place and presence in this event.

All music should be planned in consultation with the Director of Music Ministries at least three months before the wedding date.

The Director of Music Ministries will provide guidelines for acceptable music and can recommend musicians and vocalists who are available to perform for wedding services. Fees and contracts are arranged directly with these individuals. Any outside musician must be approved by the Director of Music Ministries.

The use of pre-recorded tapes is not permitted before, during, or after the wedding ceremony.

PHOTOGRAPHY

Pictures may be taken in prior to and following the service. No flash photography is allowed during the ceremony. Still photography and video recordings may be made only from the rear balcony during the ceremony.

WEDDING DIRECTOR

A church Wedding Director is responsible for the traditions of the ceremony, placement of the wedding party, seating honored guests, processional and recessional of the participants. She will assist at the rehearsal and wedding. An assistant director may help coordinate with larger wedding parties. Outside bridal consultants may assist the bride and her attendants prior to the ceremony.

SOUND TECHNICIAN

A church sound technician is required to set up microphone systems and sound system for the pastor and musicians.

ADDITIONAL POLICIES

We recommend that child attendants be at least five years old. Keep in mind the space limitations for your bridal party. Pets may not participate in the ceremony.

One large floral arrangement is suggested to be placed on the ledge behind the communion table.

In the Sanctuary, aisle candleholders and hurricane globes are available for the windows. Decorations for Lewis Hall are provided by the wedding couple. All candles are to be provided by the couple and must be dripleless and in hurricane globes or votive holders. Decorations are not to be attached to any furniture or walls with pins, tacks, or any form of adhesive tape.

Appropriate attire and behavior are expected at all times from participants and guests. Alcohol and illegal substances are not allowed on church property. Rice, confetti, birdseed, etc. may not be thrown on church property.

FEES AND FORMS

Fees for the facility and custodian are due when the space is reserved. All other fees are due at least 7 days prior to the wedding. Fees will be refundable up to three months prior to the wedding.

The Wedding Reservation & Information Form needs to be completed and submitted when the wedding date is secured.
